COLINAS DEL SOL

Colinas Del Sol—Hills of the Sun

**The sun does shine most of the year out here,
but it is beautiful all year round!**

**In the summertime there is beauty all around as the hills are seen
with various wildflowers, and cacti fading into the
beautiful mountains. There is a faint aroma of piñon and
juniper carried by the gentle breezes.**

**Mountains, mountains, mountains! In the wintertime, the
snowcapped mountains can be seen in all of their
splendor and majesty.**
